NOTES:

a) The Ministry of Corporate Affairs, Government of India (“MCA”) has vide its circulars dated December 28, 2022; May 5, 2022; December 14, 2021; January 13, 2021; May 05, 2020; April 13, 2020; and April 8, 2020 (collectively referred to as “MCA Circulars”) permitted the holding of the Annual General Meeting (“AGM” or “Meeting”) through Video Conferencing facility/ Other Audio Visual Means (“VC/ OAVM”) on or before September 30, 2023, without the physical presence of the Members at a common venue.

Further, the Securities and Exchange Board of India (“SEBI”) vide its circulars dated January 05, 2023; May 13, 2022; January 15, 2021, May 12, 2020 and other applicable circulars issued in this regard, has provided relaxation from compliance with certain provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations).

In compliance with the provisions of the Companies Act, 2013 (“the Act”), Listing

Regulations and MCA Circulars, the 104th AGM of the Company is being held through VC/OAVM. The deemed venue for the 104th AGM shall be the Registered Office of the Company.

- b) The Explanatory Statement pursuant to Section 102 (1) of the Companies Act, 2013 relating to Special Business under Item no. 4 & 5 mentioned above is annexed hereto.
- c) Pursuant to the provisions of the Companies Act, 2013 (“Act”), a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/ her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC/ OAVM, the requirement of physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.

However, the Body Corporates are entitled to appoint authorised representatives to attend the AGM through VC/ OAVM and participate and cast their votes through e-voting.

Institutional/ Corporate Shareholders (i.e. other than individuals/ HUF, NRI, etc.) are required to send a scanned copy (PDF/ JPG Format) of its Board or governing body Resolution/ Authorization etc., authorizing its representative to attend the AGM through VC/ OAVM on its behalf and to vote through remote e-voting. The said Resolution/ Authorization shall be sent to the Scrutinizer by email through its registered email address to ragini.c@rediffmail.com with a copy marked to evoting@nsdl.co.in.

- d) The Members can join the AGM through VC/ OAVM mode 15 minutes before the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/ OAVM

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

will be made available to 1000 members on first come first served basis. This will not include large shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

e) The attendance of the Members attending the AGM through VC/ OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.

f) Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015 (as amended), and in terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, the Company is providing the facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means as the authorized agency. The facility of casting votes by a member electronically as well as for e-voting during the AGM will be provided by NSDL.

g) Members holding shares in Dematerialized Form are requested to intimate immediately any change in their name, postal address, email address, telephone/ mobile number, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as name of the bank and branch details, Bank Account Number, MICR code, IFSC code, etc., as follows:

I. For shares held in electronic form: to their Depository Participants (DPs).

II. For shares held in physical form: to the Company/ Registrar and Share Transfer Agent in prescribed Form ISR-1 and other forms pursuant to SEBI Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2021/655 dated November 3, 2021.

h) As per Regulation 40 of SEBI Listing Regulations, securities of listed companies can be transferred only in dematerialized form with effect from April 01, 2019. Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the listed companies to issue securities in dematerialized form only while processing service requests viz. issue of duplicate securities certificate; claim from unclaimed suspense account; renewal/ exchange of securities certificates; endorsement; sub-division/ splitting of securities certificate; consolidation of securities certificate/ folios; transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR – 4, the format of which is available on the website of the Company's Registrar and Transfer Agent, TSR Consultants Private Limited ("TCPL") at <https://tcplindia.co.in/>. It may be noted that any service request can be processed only after the folio is KYC Compliant. SEBI, vide its notification dated January 24, 2022, has mandated all requests for transmission and transposition to be processed only in dematerialised form. In view of the same and to eliminate all risks associated with physical shares and to avail various benefits of dematerialisation, Members are advised to dematerialise the shares held by them in physical form. Members can contact the Company or Company's Registrar and Share Transfer Agent, TSR Consultants Private Limited ("TCPL") for assistance in this regard.

i) In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

of the Company, will be entitled to vote at the AGM.

j) Members who have not encashed their dividend warrants for the financial year ended March 31, 2016 and thereafter, may immediately approach the Company for revalidation of unclaimed warrants as the amount of dividend remaining unpaid for a period of 7 years shall be transferred to Investor Education & Protection Fund ("IEPF") as per the provisions of Section 124 of the Companies Act, 2013. The shares in respect of such unclaimed dividends are also liable to be transferred to the demat account of the IEPF Authority. In view of this, members are requested to claim their dividends from the Company within the stipulated timeline. The members whose unclaimed dividends/ shares have been transferred to the IEPF may claim the same by making an online application to the IEPF authority in Form No. IEPF - 5 available on www.iepf.gov.in.

k) SEBI has vide Circular No. SEBI/HO/MIRSD/MIRSD-PoD-1/P/CIR/2023/37 dated March 16, 2023 mandated the physical shareholders to furnish their PAN, KYC and nomination details by October 1, 2023. Hence, the shareholders are requested to submit their details to the Company's RTA, TSR Consultants Private Limited, either by e-mail to csg-unit@tcplindia.co.in or by post at C-101, 1st Floor, 247 Park, LBS Marg, Vikhroli (West), Mumbai – 400 083.

In case a holder of physical securities fails to furnish PAN and KYC details before October 1, 2023, RTA is obligated to freeze such folios. The securities in the frozen folios shall be eligible to receive payments (including dividend) and lodge grievances only after furnishing the complete documents.

l) The Company has engaged the services of National Securities Depository Limited (NSDL) as the authorized agency for conducting the AGM through VC/ OAVM and for providing e-voting facility.

m) In lines with the MCA Circulars, the Notice calling the AGM and the Annual Report for the financial year ended March 31, 2023, has been uploaded on the website of the Company at www.bcma.in. It can also be accessed from the website of the Stock Exchange i.e. BSE Limited at <https://www.bseindia.com> and on the website of NSDL at <https://www.evoting.nsdl.com> (agency for providing the Remote e-voting facility).

n) In accordance with the MCA Circulars and the relevant SEBI circulars, the Company is sending this AGM Notice along with the Annual Report for FY 22-23 in electronic form only to those members whose email IDs are registered with the Company/ Depositories. The Company shall send the physical copy of the Annual Report for FY 22-23 to only those Members who specifically request for the same at investors@bcma.in mentioning their Folio No. / DP ID and Client ID.

o) As per the provisions of Section 72 of the Act and SEBI Circular, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a Member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/ she may submit the same in Form ISR-3 or SH-14, as the case may be. Members are requested to submit the said details to their DP in case the shares are held by them in dematerialized form and to TCPL in case the shares are held in physical form.

p) Members who hold shares in physical form in multiple folios in identical names or joint holding in the same order of names are requested to send the share certificates to the Registrar and Share Transfer Agent of the Company for consolidation of the folios along with the requisite KYC documents for consolidating the holdings in one folio. Requests for consolidation of share certificates shall be processed in dematerialised form.

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

EXPLANATORY STATEMENT PURSUANT TO SECTION 102(1) OF THE COMPANIES ACT, 2013.

ITEM NO. 4

Mr. Chakor L. Doshi, Non-Executive Director, was appointed by the Board of Directors on April 08, 1994 in compliance with the provisions of the Companies Act, 1956.

As per Regulation 17 (1A) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 – “No listed entity shall appoint a person or continue the directorship of any person as a Non-Executive director who has attained the age of seventy five years unless a Special Resolution is passed to that effect, in which case the explanatory statement annexed to the notice for such motion shall indicate the justification for appointing such a person.”

Mr. Chakor L. Doshi will be attaining the age of 75 years on September 15, 2023, and hence, as per the requirement of Regulation 17 (1A) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, a special resolution needs to be passed seeking the approval of the shareholders for continuation of his directorship in the Company.

The Board considered that his continued association would be of immense benefit to the Company and that it would be desirable to continue to avail his services as a Director of the Company. Accordingly, the consent of the Members is sought for passing Special resolution as set out in Item no 4 of this Notice. This Explanatory Statement may also be regarded as an appropriate disclosure under Regulation 17A of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The brief profile of Mr. Chakor L. Doshi is given as **Annexure A** to this Notice.

In view of the above, prior approval of the Members is being sought for continuation of directorship of Mr. Chakor L. Doshi as a Non-Executive Director attaining the age of 75 years.

Other than Mr. Chakor L. Doshi and Mr. Chirag C. Doshi (a relative of Mr. Chakor L. Doshi), none of the Directors, Key Managerial Personnel and their relatives are concerned or interested, financially or otherwise, in the aforesaid Resolution.

ITEM NO. 5

The Members of the Company, in the 100th Annual General Meeting held on August 05, 2019 had accorded by Special Resolution, their consent to Mr. Chakor L. Doshi, Chairman Emeritus of the Company and a relative of Mr. Chirag C. Doshi, Chairman & Managing Director to continue to provide professional services as an Advisor / Consultant to the Company for an additional period of 2 years from June 01, 2019 to May 31, 2021, on payment of Rs. 65,000/- per day as Consultancy Fee plus expenses on travelling, lodging and boarding & reimbursement of incidental and out of pocket expenses, GST as applicable and permitted foreign exchange allowance and expenses in case of any assignments abroad.

Vide the said Special Resolution, the Board was further authorised to extend the said consultancy period for an additional period of two years, and pursuant to such authorization to the Board, such extension was approved by the Board in their meeting held on May 26, 2021 on payment of Rs. 65,000/- per day. Hence, the approval of the Shareholders was valid up to May 31, 2023.

Mr. Chakor L. Doshi possesses the necessary qualifications to render professional consultancy services. As per the provisions of Section 197 of the Companies Act, 2013, the Nomination and Remuneration Committee has expressed similar opinion in their meeting held on May 12, 2023. As per the provisions of Section 188 of the Companies Act, 2013, the Audit Committee of the Board of Directors of the Company also approved the renewal of Consultancy Contract with Mr. Chakor L. Doshi at the existing professional fees of Rs. 65,000 per day for the next two years, subject to approval of the Members, with power to the Board to extend the period of consultancy contract by a further period of two years. As per the approval of the Audit Committee and recommendation of the

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

Nomination and Remuneration Committee, the Board of Directors approved the proposal, subject to the approval of the Members, for renewal of the Consultancy Contract with Mr. Chakor L. Doshi.

104th ANNUAL REPORT 2022-2023

Annexure “A” to Director’s Report

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industrial structure and Development:

The Automobile and Hospitality industry are an integral constituent of the growing Indian economy in the long run. It is one of the diversified sectors. Over the generations, Automobiles and Hospitality sectors have influenced every aspect of the society in several ways and have changed in order to keep up with the changing times.

The automobile industry is expected to emerge as the world’s third largest passenger vehicle market in the long term, driven by underlying economic growth, increasing consumption demand and mass urbanization over a period of time.

The Hospitality industry is evolving with the advent of new technology and concepts. Technology plays a significant role as a differentiator in the industry. The key trend that is re-shaping the industry is food ordering platforms which gained popularity due to impact of Covid-19 and will remain so in future also.

Opportunities and threats

Since the Automobile industry is expected to emerge as the world’s third largest passenger vehicle market in the long term, this growth is expected to be driven by new launches in premium segment passenger vehicles over a period of time. Further, with the increasing restaurant trends and ordering food online, opportunity in Hospitality division also looks good in the long term. Further, Food and Beverage (F&B) and Banquets are expected to grow as the same will be required for Corporate Meetings, Pre-Wedding events, Birthday events etc. The inflation has increased in the last few months and this may have some negative impact in the growth of the business in the current year. However, the expectation is that inflation may settle down in the coming months.

As both the segments - Auto Division and Hospitality Division fall in the category of Luxury segment and not basic necessities,

any reduction in the disposable income of the customers especially due to inflation, will be considered as a threat in the future. Further for the Hospitality Division, the dependence on several technology platforms and systems would pose a threat to the revenue from food orders.

Segment-wise performance & financial performance

The Company has two reportable segments: Auto Division and Hospitality Division.

During the year under review 2022-23, revenue from Auto division was Rs. 351.00 lacs as compared to Rs. 301.34 lacs in previous year 2021-22. Revenue from the Hospitality division stood at Rs. 512.02 lacs as compared to Rs. 285.27 lacs in the previous Year 2021-22.

Profit before Interest and Tax from Auto division stood at Rs. 243.83 lacs and from Hospitality division stood at Rs. 57.59 lacs.

The total Revenue of the Company comprising of Automobile and Hospitality divisions was Rs. 863.02 lacs as compared to Rs. 586.62 Lacs in the previous year. Further, the Profit after tax for FY 2022-23 stood at Rs. 226.57 lacs as compared to Rs. 260.98 lacs in previous year 2021-22.

During the year under review, the revenue was higher in Hospitality business than in Auto business while profits were more in Auto business than in Hospitality business.

Internal control system and their adequacy

The Company has sound and adequate internal control systems that commensurate with its size and nature of business. The Company constantly upgrades its systems for incremental improvements, because it firmly believes that change is the only permanent thing, and without change it cannot progress. The Company periodically reviews its systems. These systems ensure protection of assets and proper recording of transactions and timely reporting.

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

Risks, concerns and threats

The Automobile and Hospitality industry is prone to impact due to fluctuations in the economy, change in market conditions, competition in the industry, inflation in the country, regulations and other factors.

Motor Services (Auto Division) & Restaurant (Hospitality Division) has huge staff turnover. Rising staff & utility costs, staff retention & customer/ guests satisfaction are the major concerns for both these Industries. Profitability will continue to be a concern with high operational costs and inflation. To meet this situation, both Auto and Hospitality divisions have to look for cost reduction and increase in the revenue by adding new customers and additional attention has to be provided towards talent search, training and development of human resources on a long term basis.

Material development in Human Resource/ Industrial Relations front, including number of people employed

The Company believes that its intrinsic strength is its people. The Company has always paid special attention to recruitment and development

of all categories of staff. The Company is committed to adhere to the highest standards of ethical and moral conduct of business operations. To maintain these standards, the Company encourages its employees to come forward and express their concerns without fear of punishment or unfair treatment. Industrial Relations remained stable throughout the year. There were 43 permanent employees on the rolls of Company as on March 31, 2023.

Cautionary Statement

This management discussion and analysis may contain forward looking statements within the meaning of the applicable laws, rules and judicial pronouncements, relating to the business strategies, prospects, financial performance etc. The actual results may vary significantly or materially than those contemplated/ implied in the analysis for various reasons including but not limited to Government Policy, macro-economic situations, business cycles, financial & liquidity situation, demand slowdown, service risks, material costs, etc. The Company does not undertake to make any declarations/ pronouncements of any such eventuality.

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

INDEPENDENT AUDITOR'S REPORT

**To The Members of
Bombay Cycle & Motor Agency Ltd.**

**Report on the Audit of the Standalone
Financial Statements**

Opinion

We have audited the accompanying standalone financial statements of **Bombay Cycle & Motor Agency Ltd.** ("the Company"), which comprise the Balance Sheet as at 31st March 2023 and the Statement of Profit and Loss (including the Statement of Other Comprehensive Income), Statement of changes in Equity and Statement of Cash Flow for the year ended and notes to standalone financial statement, including summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statement").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2023, its profit including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by

the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements for the financial year ended March 31st, 2023. These matters were addressed in the context of our audit of the Standalone Financial Statement as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on this matter.

"We have determined that there are no key audit matters to communicate in our report for the current year"

Information other than the Standalone Financial Statement and Auditors Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include standalone financial statements and auditor's report thereon. Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the standalone financial statements, or our knowledge obtained in the audit or otherwise appears to be materially

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act, with respect to the preparation and presentation of these standalone financial statements that gives a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statement, management and board of directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statement

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (a) Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (b) Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- (c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

- (d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- (e) Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements for the financial year ended March 31st, 2023 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare

circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. (A) As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including the statement of other comprehensive income, the Cash Flow Statement of Changes in Equity dealt with by this Report are in agreement with the books of accounts;
 - d) In our opinion, the aforesaid Standalone Financial Statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2)

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

of the Act.

- f) With respect to the adequacy of the internal financial controls with reference to these Standalone Financial Statements and the operating effectiveness of such controls, refer to our separate Report in “Annexure B” Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls with reference to standalone financial statements.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirement of section 197(16) of the Act, as amended:

In our opinion and according to the information and explanations given to us, the remuneration paid by the company to its directors during the current year is in accordance with the provisions of section 197 of the act. The remuneration paid to any director is not in excess of the limit laid down under section 197 of the act.

- h) With respect to the other matters to be included in the Auditors’ Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

Annexure – ‘B’ to the Independent Auditors’ Report

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date for the year ended March 31, 2023)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Bombay Cycle & Motor Agency Ltd** (“the Company”) as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the ‘Guidance Note’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, deemed to be prescribed under

section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that:

1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

of the company;

2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the

degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Capital Reserve:

The reserve was created in financial year 2005-06 from resettlement compensation received for surrender of tenancy rights in respect of the premises called 'Industrial Manor' at Prabhadevi, Mumbai- 400025.

General Reserve:

The General reserve is created from time to time by transfer of profits from retained earnings to general reserve for appropriation purposes. As the General reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, hence General reserve is not required to be reclassified subsequently to the statement of profit and loss.

Retained Earnings

Retained earnings includes the Company's cumulative earnings less losses.

Remeasurements of the Net Defined Benefit Plans

Remeasurements of defined benefit liability comprises actuarial gains and losses and return on plan assets (excluding interest income)

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

NOTE: - 30 – SIGNIFICANT ACCOUNTING POLICIES AND OTHER NOTES FORMING PART OF THE STANDALONE FINANCIAL STATEMENTS

1) Corporate Information:

The Company was formed in 1919 with the main object to undertake business of sales and servicing of motor cars. At present its Automobile division situated at Churchgate is operational for servicing of motor cars. The company diversified its operations in Restaurant and Banquets services at its Hospitality Division situated at Opera House.

2) Basis of Preparation of Financial Statements:

- a) The financial statements have been prepared in compliance with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.
- b) The financial statements have been prepared on the historical cost basis except for the following assets and liabilities which have been measured at fair value:
 - i) Financial instruments measured at fair value through profit and loss
 - ii) Defined benefit plans – plan asset value through measured at fair value.

3) Significant Accounting Policies:

A) Critical accounting estimates and judgments:

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions, that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements pertain to:

a) Useful lives of property, plant and equipment and intangible assets:

The Company has estimated useful life of each class of assets based on the nature of assets, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, etc. The Company reviews the useful life of property, plant and equipment and Intangible assets as at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

b) Impairment testing:

Property, plant and equipment and Intangible assets that are subject to amortization/ depreciation are tested for impairment when events occur or changes in circumstances indicate that the recoverable amount of the cash generating unit is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to sell. The calculation involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions.

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

c) Fair value measurement of derivative and other financial instruments:

The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques. This involves significant judgments in selection of a method in making assumptions that are mainly based on market conditions existing at the Balance Sheet date and in identifying the most appropriate estimate of fair value when a wide range of fair value measurements are possible.

d) Litigation:

From time-to-time, the Company is subject to legal proceedings the ultimate outcome of each being always subject to many uncertainties inherent in litigation. A provision for litigation is made when it is considered probable that a payment will be made and the amount of the loss can be reasonably estimated. Significant judgment is made when evaluating, among other factors, the probability of unfavorable outcome and the ability to make a reasonable estimate of the amount of potential loss. Litigation provisions are reviewed at each accounting period and revisions made for the changes in facts and circumstances.

e) Defined benefit plans:

The cost of the defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each Balance Sheet date.

B) Borrowing Costs:

Borrowing costs are recognized in the Statement of Profit and Loss in the year in which they are incurred.

C) Inventories:

- i) Auto spare parts: - At lower of cost and net realizable value.

(Cost in relation to spare parts of Auto Division business includes purchase price net of rebates and incentives from suppliers, octroi and freight)

- ii) Materials purchased for preparation of and sale of Food & Beverages, in case of Hospitality Division: - At cost or net realizable value whichever is lower. Cost is determined on the basis of Weighted Average Method and includes all costs incurred for bringing these materials at the doorstep of the company.

D) Property, Plant and Equipment:

Items of property, plant and equipment are stated in balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of property, plant and equipment and is

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

recognized in profit or loss. Depreciation is recognized so as to write off the cost of assets (other than freehold land and Capital work-in-progress) less their residual values on straight-line method over their useful lives as indicated in Part C of Schedule II of the Companies Act, 2013. Depreciation methods, useful lives and residual values are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

The estimated useful lives are as follows:

Asset Category	No. of Years
Buildings	60
Plant and equipment	15
Plant and equipment - Computers	3
Furniture and fixtures	10
Office Equipment	5
Vehicles	6

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment ('PPE') recognized as of April 01, 2016 i.e. transition date, measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

E) Intangible assets

Intangible assets comprise application software etc purchased, which are not an integral part of the related hardware, and are amortized on a straight line basis over a period of 6 years, which in Management's estimate represents the period during which the economic benefits will be derived from their use.

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific to which it relates.

The Company has elected to continue with the carrying value of all its intangible assets as recognised in the standalone financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as the deemed cost as at the transition date pursuant to the exemption under Ind AS 101

F) Income Taxes:

Income tax expense comprises current and deferred tax. It is recognised in profit and loss except to the extent that it relates to items recognised directly in equity or in OCI.

a) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities. Current tax assets and liabilities are offset only if:

- i) there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority; and

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

- ii) there is intention either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

b) Deferred tax

Deferred tax assets are recognized to the extent that it is regarded as probable that deductible temporary differences can be realized. The Company estimates deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans, including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and thereby the tax charge in the Statement of Profit or Loss. Provision for tax liabilities require judgments on the interpretation of tax legislation, developments in case law and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the Statement of Profit or Loss.

G) Revenue recognition:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery. Revenue is measured based on the consideration specified in the contract with customers. Revenue from contracts with customers is recognised when services are provided and it is highly probable that a significant reversal of revenue is not expected to occur. If the consideration promised in a contract includes a variable amount, the company estimates the amount of consideration to which it will be entitled in exchange for rendering the promised services to a customer. The amount of consideration can vary because of discounts, rebates, refunds, credits, price concessions, incentives, performance bonuses, or other similar items. The promised consideration can also vary if an entitlement to the consideration is contingent on the occurrence or non-occurrence of a future event.

Income from operations:

Food and Beverage & Banquets: Revenue is recognised at the transaction price that is allocated to performance obligation. Revenue includes food and beverage sales and banquet services which is recognised once the food and beverages are sold and banquet services have been provided as per the contract with the customer.

Service Income primarily relates to revenue from servicing of cars and is recognized as and when the underlying services are performed.

Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Dividend

Dividend income from investment is recognised when the right to receive payment has been established.

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

H) Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial assets

Classification

The Company shall classify subsequently financial assets measured at amortised cost, fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date.

Subsequent measurement

For the purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income
- Debt instruments and equity instruments at fair value through profit or loss
- Equity instruments measured at fair value through other comprehensive income

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- i) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- ii) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The effective interest rate amortisation is included in Other Income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

Debt instrument at fair value through other comprehensive income

A 'debt instrument' is measured as at fair value through other comprehensive income if both of the following criteria are met:

- i) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

- ii) The contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments included within the fair value through other comprehensive income category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income. However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the profit or loss. On derecognition of the asset, cumulative gain or loss previously recognised in other comprehensive income is reclassified from the equity to profit or loss. Interest earned whilst holding fair value through other comprehensive income debt instrument is reported as interest income using the EIR method.

Debt instrument at fair value through profit or loss

Fair value through profit or loss is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as fair value through other comprehensive income, is classified as at fair value through profit or loss.

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or fair value through other comprehensive income criteria, as at fair value through profit or loss. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Equity instruments

All equity instruments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at fair value through profit or loss. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value in other comprehensive income. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at fair value through other comprehensive income, then all fair value changes on the instrument, including foreign exchange gain or loss and excluding dividends, are recognised in the other comprehensive income. There is no recycling of the amounts from OCI to profit or loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the fair value through profit or loss category are measured at fair value with all changes recognized in the profit or loss.

b) Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Initial recognition and measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

and payables, net of directly attributable transaction costs.

Subsequent measurement

All financial liabilities are subsequently measured at amortized cost using the effective interest method or at fair value through profit or loss.

Financial liabilities at fair value through profit or loss

Financial liabilities are classified as at fair value through profit or loss when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or is designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred principally for the purpose of repurchasing in the near term or on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking.

Financial liabilities subsequently measured at amortized cost

Financial liabilities that are not held-for-trading and are not designated as at fair value through profit or loss are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest rate method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item in profit or loss.

Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

I) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand and balance with Bank, call deposits and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

J) Earnings per Share:

Basic earning per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares as above and also the weighted average number of equity shares upon conversion of all dilutive potential equity shares.

K) Cash Flow Statements:

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flow from operating, investing and financing activities of Company are segregated.

L) Employees benefits:

i) Short term employee benefits are recognized as an expense at the undiscounted amount in the

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

Profit and loss account of the year in which the related service is rendered. These benefits include compensated absences such as paid annual leave and performance incentives.

- ii) Post-employment and other long term employee benefits are recognized as an expense in the Profit and Loss account for the year in which the employee has rendered services. The expense is recognized at the present value of the amount payable determined using actuarial valuation techniques. Actuarial gains and losses are recognized in full in the Profit and Loss account for the period in which they occur. Liability towards Gratuity is being discharged regularly in accordance with the terms of employment with the employees.
- iii) Provident Fund scheme: The Company makes specified monthly contributions towards Employee Provident Fund to Employees' Provident Fund Organisation. Interest is credited to respective employees on regular basis as per the interest rate notified by government on time to time by Employee Provident Fund to Employees' Provident Fund Organisation.

M) Impairment of Assets:

An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in a prior accounting period is reversed if there has been a change in the estimate of the recoverable amount.

N) Financial risk management:

The Company has exposure to the following risks arising from financial instruments:

- * Credit risk;
- * Liquidity risk; and
- * Market risk

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors is responsible for developing and monitoring the Company's risk management policies.

Risk management policies and systems are reviewed regularly to reflect changes in market conditions and Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

i) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in debt securities, cash and cash equivalents, mutual funds, bonds etc.

The carrying amount of financial assets represents the maximum credit exposure.

Cash and cash equivalents

8) Provisions, Contingent Liabilities and Contingent Assets:

(i) Provisions:

The Company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated. If the effect of time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

(ii) Contingent liabilities:

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

a) Claims against the Company not acknowledged as debt;

(iv) **Guarantees:**

Counter guarantees of ₹ 1 lac to bank against guarantees issued on company's behalf secured by pledge of deposits of ₹ 3.67 lacs (Previous year ₹ 3.49 lacs).

9) Leases:

Company as a lessee

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

10) Micro, Small and Medium Enterprises:

- a) As at 31st March, 2023, there are Micro, Small and Medium Enterprises, as defined in the Micro, Small and Medium Enterprises Development Act, 2006, to whom the group owes dues on account of principal amount together with interest (if any) and accordingly no additional disclosures have been made.
- b) The above information regarding Micro, Small and Medium Enterprises has been determined to the extent such parties have been identified on the basis of information available with the Company. This has been relied upon by the auditors.

11) Rounding of amounts

All amounts disclosed in the financial statement and notes have been rounded off to the nearest Lacs, except where otherwise indicated.

12) Other Statutory Informations:

- i) The Company does not have any Benami property, where any proceeding has been initiated or pending against the Group for holding any Benami property.
- ii) The Company does not have any transactions with struck off companies.
- iii) The Company does not have any charges or satisfaction which is yet to be registered with ROC beyond the statutory period.
- iv) The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year.
- v) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- vi) The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (intermediaries) with the understanding that the intermediary shall:
 - a) Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or
 - b) Provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- vii) All the title deeds of immovable properties are in the name of Company.

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

- viii) The Company has not received any fund from any person(s) or entity(ies), including foreign entities (funding party) with the understanding (whether recorded in writing or otherwise) that the Group shall:
- Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or
 - Provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- ix) The Company has not any such transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).

13) Re-classification of previous year figures:

Previous year's figures have been reworked, regrouped, rearranged and reclassified wherever necessary. Amount and other disclosures for the preceding year are included as an integral part of the current year financial statements and are to be read in relation to the amounts and other disclosures relating to the current year.

14) Recent accounting pronouncements:

The Ministry of Corporate Affairs (MCA) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

Ind AS 1, Presentation of Financial Statements – This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and the impact of the amendment is insignificant in the standalone financial statements.

Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors – This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its Standalone financial statements.

Ind AS 12, Income Taxes – This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its Standalone financial statements.

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

INDEPENDENT AUDITOR'S REPORT

To The Members of

Bombay Cycle & Motor Agency Ltd.

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Bombay Cycle & Motor Agency Ltd.** ("the Company") and its joint venture, which comprise the Consolidated Balance Sheet as at 31st March, 2023 and the Consolidated Statement of Profit and Loss (including the statement of other comprehensive income), the Consolidated Statement of changes in Equity and the Consolidated Statement of Cash Flow for the year ended and notes to consolidated financial statement, including summary of significant accounting policies and other explanatory information (hereinafter referred to as the "consolidated financial statement").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of the other auditor on separate financial statement and on other financial information of its joint venture, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at 31st March 2023, of its consolidated profit (including other comprehensive income), consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) specified under

section 143(10) of the Act, as amended. Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on Consolidated Financial Statement

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements for the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the Consolidated Financial Statement as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on this matter.

"We have determined that there are no key audit matters to communicate in our report for the current period"

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read

BOMBAY CYCLE & MOTOR AGENCY LIMITED

the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Statement has been prepared on the basis of the annual consolidated financial statements. The Company's Management and Board of Directors (including the Company & its joint venture) are responsible for the preparation and presentation of these consolidated financial statements that gives a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows of the Company & its joint venture in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the directors of the Company as aforesaid.

In preparing the consolidated financial Statement, Management and Board of Directors of the entity included in the Consolidated financials are responsible for assessing the Company's ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statement

Our objectives are to obtain reasonable assurance about whether the consolidated financial statement as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- (a) Identify and assess the risks of material misstatement of the consolidated financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

(b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

(c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

(d) Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

(e) Evaluate the overall presentation, structure and content of the Consolidate Financial Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

(f) Obtain sufficient appropriate audit evidence regarding the financial information of the joint venture to express an opinion on the consolidated financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters,

the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Annexure – ‘A’ to the Independent Auditors’ Report

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2023, we have audited the internal financial controls over financial reporting of Bombay Cycle & Motor Agency Ltd (“the Company”) and its joint venture as of March 31, 2023 in conjunction with our audit of the consolidated financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the Company and its joint venture are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its joint venture based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and

the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its joint venture.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its joint venture have, in all material respects, an adequate internal financial controls with reference to Consolidated Financial Statements were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

NOTE 30: SIGNIFICANT ACCOUNTING POLICIES AND OTHER NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS

1) Corporate Information:

The Consolidated Financial Statements relate to BOMBAY CYCLE & MOTOR AGENCY LIMITED (BCMA or Parent Company), and its Joint Venture (collectively the "Group") for the year ended March 31, 2023. The Company was formed in 1919 with the main object to undertake business of sales and servicing of motor cars. At present its Automobile division situated at Churchgate is operational for serving of motor cars. The company diversified its operations in Restaurant and Banquets services at its Hospitality Division situated at Opera House.

2) Basis of Preparation of Financial Statements:

- a) The financial statements have been prepared in compliance with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.
- b) The financial statements have been prepared on the historical cost basis except for the following assets and liabilities which have been measured at fair value:
 - i) Financial instruments measured at fair value through profit and loss
 - ii) Defined benefit plans – plan asset value through measured at fair value.

3) Significant Accounting Policies:

A) Critical accounting estimates and judgments:

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make judgments, estimates and assumptions, that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses for the years presented. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements pertain to:

a) Useful lives of property, plant and equipment and intangible assets:

The Company has estimated useful life of each class of assets based on the nature of assets, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, etc. The Company reviews the useful life of property, plant and equipment and Intangible assets as at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

b) Impairment testing:

Property, plant and equipment and Intangible assets that are subject to amortization/ depreciation are tested for impairment when events occur or changes in circumstances indicate that the recoverable amount of the cash generating unit is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to sell. The calculation involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions.

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

c) Fair value measurement of derivative and other financial instruments:

The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques. This involves significant judgments in selection of a method in making assumptions that are mainly based on market conditions existing at the Balance Sheet date and in identifying the most appropriate estimate of fair value when a wide range of fair value measurements are possible.

d) Litigation:

From time-to-time, the Company is subject to legal proceedings the ultimate outcome of each being always subject to many uncertainties inherent in litigation. A provision for litigation is made when it is considered probable that a payment will be made and the amount of the loss can be reasonably estimated. Significant judgment is made when evaluating, among other factors, the probability of unfavorable outcome and the ability to make a reasonable estimate of the amount of potential loss. Litigation provisions are reviewed at each accounting period and revisions made for the changes in facts and circumstances.

e) Defined benefit plans:

The cost of the defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each Balance Sheet date.

B) Principles of Consolidation and Equity Accounting:

i. Joint Venture

Under Ind AS 111 Joint Arrangements, investments in joint arrangements are classified as either joint operations or Joint Ventures. The classification depends on the contractual rights and obligations of each investor, rather than the legal structure of the joint arrangement. The Group has only Joint Ventures. Interests in Joint Ventures are accounted for using the equity method (see (b) below), after initially being recognised at cost in the consolidated Balance Sheet.

ii. Equity method

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Group's share of the post-acquisition profits or losses of the investee in profit and loss, and the Group's share of Other Comprehensive Income of the investee in Other Comprehensive Income. Dividends received or receivable from Associates and Joint Ventures are recognised as a reduction in the carrying amount of the investment. When the Group's share of losses in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity. Unrealised gains on transactions between the Group and Joint Ventures are eliminated to the extent of the Group's interest in these entities. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the Group. The carrying amount of equity accounted investments are tested for impairment in accordance with the policy described.

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

Acquisition during the year ended March 31st, 2022

During the year ended March 31,2022 the (BCMA or Parent Company), and its Joint Venture (collectively the “Group”) company acquired 50% stake in a Joint Venture (JV) company named Walchand Sun Advanced Composites Private Limited.

Acquisition Date: 31st March, 2022

Face Value: Rs. 10

C) Borrowing Costs:

Borrowing costs are recognized in the Statement of Profit and Loss in the year in which they are incurred.

D) Inventories:

i) Auto spare parts: - At lower of cost and net realizable value.

(Cost in relation to spare parts of Auto Division business includes purchase price net of rebates and incentives from suppliers, octroi and freight)

ii) Materials purchased for preparation of and sale of Food & Beverages, in case of Hospitality Division: - At cost or net realizable value whichever is lower. Cost is determined on the basis of Weighted Average Method and includes all costs incurred for bringing these materials at the doorstep of the company.

E) Property, Plant and Equipment:

Items of property, plant and equipment are stated in balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of property, plant and equipment and is recognized in profit or loss. Depreciation is recognized so as to write off the cost of assets (other than freehold land and Capital work-in-progress) less their residual values on straight-line method over their useful lives as indicated in Part C of Schedule II of the Companies Act, 2013. Depreciation methods, useful lives and residual values are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

The estimated useful lives are as follows:

Asset Category	No. of Years
Buildings	60
Plant and equipment	15
Plant and equipment - Computers	3
Furniture and fixtures	10
Office Equipment	5
Vehicles	6

For transition to Ind AS, the Company has elected to continue with the carrying value of all of its

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

property, plant and equipment ('PPE') recognized as of April 01, 2016 i.e. transition date, measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

F) Intangible assets

Intangible assets comprise application software etc purchased, which are not an integral part of the related hardware, and are amortized on a straight line basis over a period of 6 years, which in Management's estimate represents the period during which the economic benefits will be derived from their use.

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific to which it relates.

The Company has elected to continue with the carrying value of all its intangible assets as recognised in the standalone financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as the deemed cost as at the transition date pursuant to the exemption under Ind AS 101

G) Income Taxes:

Income tax expense comprises current and deferred tax. It is recognised in profit and loss except to the extent that it relates to items recognised directly in equity or in OCI.

a) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. It is measured using tax rates enacted or substantively enacted at the reporting date. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities. Current tax assets and liabilities are offset only if:

- i) there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority; and
- ii) there is intention either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

b) Deferred tax

Deferred tax assets are recognized to the extent that it is regarded as probable that deductible temporary differences can be realized. The Company estimates deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans, including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and thereby the tax charge in the Statement of Profit or Loss. Provision for tax liabilities require judgments on the interpretation of tax legislation, developments in case law and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the Statement of Profit or Loss.

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

H) Revenue recognition:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured and there exists reasonable certainty of its recovery. Revenue is measured based on the consideration specified in the contract with customers. Revenue from contracts with customers is recognised when services are provided and it is highly probable that a significant reversal of revenue is not expected to occur. If the consideration promised in a contract includes a variable amount, the company estimates the amount of consideration to which it will be entitled in exchange for rendering the promised services to a customer. The amount of consideration can vary because of discounts, rebates, refunds, credits, price concessions, incentives, performance bonuses, or other similar items. The promised consideration can also vary if an entitlement to the consideration is contingent on the occurrence or non-occurrence of a future event.

Income from operations:

Food and Beverage & Banquets: Revenue is recognised at the transaction price that is allocated to performance obligation. Revenue includes food and beverage sales and banquet services which is recognised once the food and beverages are sold and banquet services have been provided as per the contract with the customer.

Service Income primarily relates to revenue from servicing of cars and is recognized as and when the underlying services are performed.

Interest income

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Dividend

Dividend income from investment is recognised when the right to receive payment has been established.

I) Financial instruments:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

a) Financial assets

Classification

The Company shall classify subsequently financial assets measured at amortised cost, fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL) on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date.

Subsequent measurement

For the purposes of subsequent measurement, financial assets are classified in four categories:

- Debt instruments at amortised cost
- Debt instruments at fair value through other comprehensive income
- Debt instruments and equity instruments at fair value through profit or loss
- Equity instruments measured at fair value through other comprehensive income

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- i) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- ii) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The effective interest rate amortisation is included in Other Income in the profit or loss. The losses arising from impairment are recognised in the profit or loss.

Debt instrument at fair value through other comprehensive income

A 'debt instrument' is measured as at fair value through other comprehensive income if both of the following criteria are met:

- i) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- ii) The contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Debt instruments included within the fair value through other comprehensive income category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income. However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the profit or loss. On derecognition of the asset, cumulative gain or loss previously recognised in other comprehensive income is reclassified from the equity to profit or loss. Interest earned whilst holding fair value through other comprehensive income debt instrument is reported as interest income using the EIR method.

Debt instrument at fair value through profit or loss

Fair value through profit or loss is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as fair value through other comprehensive income, is classified as at fair value through profit or loss.

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

In addition, the Company may elect to designate a debt instrument, which otherwise meets amortized cost or fair value through other comprehensive income criteria, as at fair value through profit or loss. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Equity instruments

All equity instruments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at fair value through profit or loss. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in the fair value in other comprehensive income. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at fair value through other comprehensive income, then all fair value changes on the instrument, including foreign exchange gain or loss and excluding dividends, are recognised in the other comprehensive income. There is no recycling of the amounts from OCI to profit or loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity.

Equity instruments included within the fair value through profit or loss category are measured at fair value with all changes recognized in the profit or loss.

b) Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received, net of direct issue costs.

Initial recognition and measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

All financial liabilities are subsequently measured at amortized cost using the effective interest method or at fair value through profit or loss.

Financial liabilities at fair value through profit or loss

Financial liabilities are classified as at fair value through profit or loss when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or is designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred principally for the purpose of repurchasing in the near term or on initial recognition it is part of a portfolio of identified financial instruments that the Company manages together and has a recent actual pattern of short-term profit-taking.

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

Financial liabilities subsequently measured at amortized cost

Financial liabilities that are not held-for-trading and are not designated as at fair value through profit or loss are measured at amortized cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest rate method. Interest expense that is not capitalised as part of costs of an asset is included in the 'Finance costs' line item in profit or loss.

Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

J) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand and balance with Bank, call deposits and other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

K) Earnings per Share:

Basic earning per share is computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares as above and also the weighted average number of equity shares upon conversion of all dilutive potential equity shares.

L) Cash Flow Statements:

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flow from operating, investing and financing activities of Company are segregated.

M) Employees benefits:

- i) Short term employee benefits are recognized as an expense at the undiscounted amount in the Profit and loss account of the year in which the related service is rendered. These benefits include compensated absences such as paid annual leave and performance incentives.
- ii) Post-employment and other long term employee benefits are recognized as an expense in the Profit and Loss account for the year in which the employee has rendered services. The expense is recognized at the present value of the amount payable determined using actuarial valuation techniques. Actuarial gains and losses are recognized in full in the Profit and Loss account for the period in which they occur. Liability towards Gratuity is being discharged regularly in accordance with the terms of employment with the employees.
- iii) Provident Fund scheme: The Company makes specified monthly contributions towards Employee Provident Fund to Employees' Provident Fund Organisation. Interest is credited to respective employees on regular basis as per the interest rate notified by government on time to time by Employee Provident Fund to Employees' Provident Fund Organisation.

BOMBAY CYCLE & MOTOR AGENCY LIMITED

104th ANNUAL REPORT 2022-2023

N) Impairment of Assets:

An asset is treated as impaired when the carrying cost of the asset exceeds its recoverable value. An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in a prior accounting period is reversed if there has been a change in the estimate of the recoverable amount.

O) Financial risk management:

The Company has exposure to the following risks arising from financial instruments:

- * Credit risk;
- * Liquidity risk; and
- * Market risk

Risk management framework

The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors is responsible for developing and monitoring the Company's risk management policies.

Risk management policies and systems are reviewed regularly to reflect changes in market conditions and Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

i) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in debt securities, cash and cash equivalents, mutual funds, bonds etc.

The carrying amount of financial assets represents the maximum credit exposure.

Cash and cash equivalents

Credit risk from balances with banks is managed by the Company's treasury department in accordance with the company's policy. Investment of surplus funds are made in mainly in mutual funds & fixed deposits with good returns and within approved credit ratings.

ii) Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risk to the Company's reputation.

iii) Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments and all short term and long-term debt. The Company is exposed to market risk primarily related interest rate risk and the market value of its investments.

9) Provisions, Contingent Liabilities and Contingent Assets

(i) Provisions:

The Company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resources embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated. If the effect of time value of money is material, provisions are discounted using a current pretax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

(ii) Contingent liabilities:

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

Company doesn't have any Contingent assets, hence are not recognized.

(iv) Guarantees:

Counter guarantees of ₹ 1 lac to bank against guarantees issued on company's behalf secured by pledge of deposits of ₹ 3.67 lacs (Previous year ₹ 3.49 lacs).

10) Leases:

Company as a lessee

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

11) MICRO, SMALL AND MEDIUM ENTERPRISES:

- a) As at 31st March, 2023, there are Micro, Small and Medium Enterprises, as defined in the Micro, Small and Medium Enterprises Development Act, 2006, to whom the group owes dues on account of principal amount together with interest (if any) and accordingly no additional disclosures have been made.
- b) The above information regarding Micro, Small and Medium Enterprises has been determined to the extent such parties have been identified on the basis of information available with the Company. This has been relied upon by the auditors.

12) Rounding of amounts

All amounts disclosed in the financial statement and notes have been rounded off to the nearest Lacs, except where otherwise indicated.

13) OTHER STATUTORY INFORMATIONS:

- i) The Company does not have any Benami property, where any proceeding has been initiated or pending against the Group for holding any Benami property.
- ii) The Company does not have any transactions with struck off companies.
- iii) The Company does not have any charges or satisfaction which is yet to be registered with ROC beyond the statutory period.
- iv) The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year.
- v) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.

- vii) All the title deeds of immovable properties are in the name of Company.
- viii) The Company has not received any fund from any person(s) or entity(ies), including foreign entities (funding party) with the understanding (whether recorded in writing or otherwise) that the Group shall:
 - a) Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or
 - b) Provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- ix) The Company has not any such transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (such as, search or survey or any other relevant provisions of the Income Tax Act, 1961).

14) Re-classification of previous year figures:

Previous year's figures have been reworked, regrouped, rearranged and reclassified wherever necessary. Amount and other disclosures for the preceding year are included as an integral part of the current year financial statements and are to be read in relation to the amounts and other disclosures relating to the current year.

15) Recent accounting pronouncements:

The Ministry of Corporate Affairs (MCA) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below:

Ind AS 1, Presentation of Financial Statements – This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and the impact of the amendment is insignificant in the standalone financial statements.

Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors – This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8 to help entities distinguish changes in accounting policies from changes in accounting estimates. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its Standalone financial statements.

Ind AS 12, Income Taxes – This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that give rise to equal and offsetting temporary differences. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2023. The Company has evaluated the amendment and there is no impact on its Standalone financial statements.
